

Resolution of the 2nd ICOR World Conference

Support of the World Women's Conference

The 2nd ICOR World Conference supports the preparation of the 2nd World Women's Conference of rank and file women in Katmandu/Nepal in 2016 on the basis of its decisions about the principles, concept and schedule (of Caracas and Johannesburg/South Africa).

As members of the ICOR we will actively cooperate in strengthening the militant women's movement and in this process convincingly promote the support of the revolutionary idea and the strengthening of the ICOR.
