

Resolution of the 3rd ICOR World Conference

Solidarity with Palestine!

100 years ago, Lenin regarded the Balfour Declaration as a plan by international imperialism to settle the Zionist colonial entity in Palestine with the aim of dominating the region. Since 1947 Lenin's view has become reality.

Since then, the Palestinian people live under the yoke of colonialism, exploited, starved out, deprived of their land, massacred and forced by violence to leave Palestine. The Zionist committed barbarian atrocities and genocides that continue till today.

In spite of all these crimes and machinations, the Palestinian people and its revolutionary forces and fighters have resisted and continue to resist in all forms of revolutionary struggle. A heroic hunger strike of Palestinian prisoners, led by Ahmed Saadat, the Secretary General of PFLP, and Marwen Bargouthi, ended in a victory.

The workers, peasants, students and all Palestinians continue their heroic struggle.

The Palestinian cause remains an inseparable part of the international anti-imperialist and anti-zionist revolutionary movement.

The 3rd World Conference of ICOR:

1. Expresses its support to the struggles of the Palestinian people and its revolutionary forces.
2. Denounces Zionism and considers that the struggle against Zionism is central for the international revolutionary movement.
