Subject: Memorandum

Excellency,

We, the high level delegation of Rastriya Janamorcha (National People's Front) wants to attract the attention of the UNO to the critical political situation of Jammu-Kashmir caused by the decision of the government of India to revoke the special constitutional status granted to the Jammu-Kashmir by the constitution of India. Such a step on the part of the Indian government is a betrayal to the people of Jammu-Kashmir.

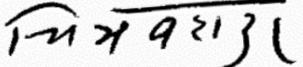

The resolution 47 of the Security Council of the UNO adopted on 21st April 1948 had decided to hold a plebiscite to settle the question of accession of the State to India or Pakistan. But that (plebiscite) couldn't be put into effect because of differences between the two countries (India and Pakistan) over the question of demilitarization. Thus the people of Jammu-Kashmir are deprived of the right to decide their fate.

The matter is many times more serious than the revoking of special status of Jammu- Kashmir, the failure to apply the right of plebiscite granted to people of Jammu-Kashmir by resolution 47 of Security Council of UNO. The Indian Independence Act had provided people of Jammu-Kashmir right not only to join India or Pakistan, but also to declare themselves independent too. But the resolution 47 has deprived them the third alternate, to become independent and that is a serious lapse on the part of UNO.

We firmly put forth the view that the people of Jammu-Kashmir should be given the right of self determination to decide whether they prefer to join India or Pakistan or, to become Independent. We humbly request UNO to settle the matter in this way, to grantee the people of Jammu- Kashmir the right of self determination.
