### **International Solidarity With The Indian Revolution And CPI(Maoist)!**

The attacks of the fascist Indian state and the Brahmanic Hindutva fascist Modi government against the Indian revolution continue increasingly. In recent months, the counter-revolutionary propaganda campaign has also been activated, along with the increasing military attacks against the Communist Party of India (Maoist), the vanguard and leading party of the Indian revolution, and the People's Liberation Guerrilla Army, which has been fighting under the leadership of CPI (Maoist).

The Brahmanic Hindutva fascist forces devised a cruel genocidal plan, which they named Prahar-3, to implement in the areas where Maoist movement is seen. On September 26, 2021, the prime ministers, and senior officials of 10 states, headed by Central Interior Minister Amit Shaw, announced the counter-revolutionary plan against the Maoist movement and described it as a development plan in which repressive campaigns would intensify in the central region of India. They recently announced that on November 3rd, forces are ready, and 24 police camps will head towards Odisha and Chhattisgarh.

Communist Party of Turkey-Marxist Leninist (TKP-ML) condemns this counter-revolutionary attack and sends its solidarity to CPI(Maoist).

The objective of the Brahmanic Hindutva fascist forces is clear. For the past year Indian peasants with strong determination and fighting spirit have fought against the laws of destruction in agriculture. On the other hand, the Adivasi forces of West Bengal, Jharkhand, Odisha, Chhattisgarh, Andhra Pradesh, Telangana, and Maharashtra are fighting for water and forest lands. The government is establishing and deploying police camps to suppress the adivasi movement in Dandakaranya, Jharkhand, AOB and Odisha. The movement against the police camps in Silinger city of Chhattisgarh's Sukma district has been going on for the last 6 months despite facing severe repression.

The purpose of the Prahar-3 campaign is to root out any mass movement. Hindutva ruling forces portray the revolutionary movement led by the CPI (Maoist) as a threat to internal security.

In fact, the fascist ruling group of Modi and Amit Shaw is a real threat to the people and is the most dangerous of all. The ruling group is preparing to root out the revolutionary movement without solving the country's life and death problems.

The Hindutva ruling forces increased their attacks on the CPI(Maoist), which they had targeted in the Prahar-3 campaign. 3rd November 2021 is the saddest day in the revolutionary history of Maharashtra's Gadchiroli District. On that

day, a terrible encounter took place in the Maharashtra Chhattisgarh border area of Danora Tehsil; here Comrade Deepak, a member of the Central Committee, and our 26 comrades immortalised.

Our party TKP-ML offers its condolences to the CPI(Maoist) and the families of our martyred comrades.

We will keep the revolutionary memories of our immortal comrades alive, especially in the struggle for the Democratic Rights Revolution in Turkey and the Democratic People's Revolution and Socialism struggle of the international proletariat and the oppressed peoples of the world.

On 11 November, CPI(Maoist) Central Committee (CC) member Comrade Kisanda (Prashanth Bose) and CC member Sheela Marandi were arrested in Saraikela town of Jharkhand. Comrade Kisanda, 76 years old, was arrested while he was being treated for eye problems, prostate, and diabetes. Our party TKP-ML strongly condemns the arrest of comrades! Our comrades must be immediately released and treated!

The Indian revolution has resisted and advanced such barbaric genocidal attacks by Brahmanic Hindutva fascist forces for the past 50 years. It gave strength and hope to the international proletariat and the oppressed peoples of the world, especially the people of India.

We have full faith that the revolutionary forces under the leadership of the CPI(Maoist) will nullify these counter-revolutionary attacks!

***Long live the struggle of the CPI (Maoist) and the People's Liberation Guerrilla Army!***

***Long live the People's War!***

***Long live Marxism Leninism Maoism!***

***Long live Proletarian Internationalism!***
